CELEBRATING HANUKKAH ALL OVER THE WORLD!

At the Eiffel Tower in Paris, on
Tower Bridge in London, in the
Royal Castle in Mexico City, the
Forum in Rome, and the world's
largest Jewish center in Ukraine,
we invite you to cast out the
darkness of 2020

CANDLE LIGHTING IN BERLIN

The public lighting of the candles at
the Banerdenburg Gate standing in
Paris Square. If you were wondering
why the Germans chose to call such a
central square after another capital,
the gate itself was built as a sign of
peace. As the monument to the
memory of the Jews of Europe is a few
meters away, this is meaningful place
for lighting Hanukkahs candles in
Germany
